Prayer Points

Mission - Carson's (Wycliffe) - Praise God for their opportunity to spend some time in Australia. Pray that they can spend some quality time with Tanuja's mother while we are there. Pray that they will cope with quarantine, & that they will be able to return to Cambodia without too much trouble. Pray that the Covid situation in Cambodia improves over the coming weeks. Pray that people will keep buying the New Testament, and that those who have a copy already will read it regularly and put it into practice. Pray for Dowan (an older woman who was baptised late last year) who had a motorcycle accident and broke her leg the day we left. Pray that she will keep trusting God even while her unbelieving family do sacrifices for her.

World - Uzbekistan - An Uzbek court has upheld the decision to fine a Christian woman for giving away 15 copies of a Baptist magazine last Christmas, after her neighbours were reportedly coerced to write false statements against Tatyana. Pray for provision as Tatyana pays the heavy fine. Pray the Holy Spirit will continue to encourage, equip, and empower believers who face persecution. Pray God would continue using His people in Uzbekistan to share the truth, no matter the cost.

Diocese - Nundle - Steve & Narelle Etherington. Praise God for the increased interest in learning about Christ, & for the enthusiasm of the Parish Council & Wardens in their ministries. Pray for sustained enthusiasm to witness for Christ among our friends & neighbours, & for growth in love & understanding among their parish. Pray for wisdom on how we should live, as many grow older and have lifestyle decisions to make.

Community - Give thanks for the gracious provision of RAIN!! Give thanks for all the activities, groups & clubs that are under post COVID. Pray for our involvement among them.
