n.b. If you have taken a roster & are serving, please help by reading hints & expectations on the back

Serving @ 9:30 St. Albans

Leading

This involves running the service and ensuring that each of the people rostered for different things are able to make it. It also involves putting together the PowerPoint presentation and liaising with the preacher, & the musicians as to which songs will be played. It also requires a 'Kids Spot' to be organised (this can involve asking a Sunday school teacher or using a video). Arrive early!

Bible Reading

Make sure you have looked over the passage and checked how to say any difficult words and practiced reading it aloud several times before the service.

Announce the passage you are reading & the page number so everyone can find it in the pew bibles. And leave enough time for everyone to find the passage first. If you still hear pages rustling then just wait a bit longer.

Make sure you are reading the same version, please!

Also check with the person preaching if they want it all read, or just a section as some passages can be rather long.

Do not read the heading, if you need to introduce some context to where we find the passage please do so in your own words. Headings are the editorial words of men (& can actually be misleading), so let's not confuse what is the word of God & what is from editors.

Prayers

The way prayers are lead publicly in Church does have an impact on the nature and shape of Church attenders prayer lives.

A good model of praying includes far more than just requests. With this in mind, a good model for leading public prayers is the ACTS model (**A**doration, **C**onfession, **T**hanksgiving, **S**upplication). Another option is 'tsp' (**T**hanks, **S**orry, **P**lease).

Generally, no long intros, & if praying after the sermon be mindful of trying to pray in line with what we have heard/been challenged by.

Welcomers

Set a joyous tone for the gathering of God's people & enjoy the opportunity to serve our gracious God & His flock.

Be early, & check with the service leader or Paul as to what people need to be given on the way in.

Note any concerns people mention & check with Paul, Joel or a Parish Councillor as to whether they are aware of 'it'.

Projector / Sound Desk

This involves clicking through the PowerPoint on the computer at the right time and assisting with set up and packing up the computer and projector.

Check to see if there are any music, video or special presentations that require extra fiddling on the computer.

Please try & arrive before 9:00am, & make sure the sound system is working & batteries are in the microphones.

Sunday School

Involves teaching our primary age children God's Word, so please be prepared, & know the passage. Sarah & Michelle lead this ministry so please talk with them about questions & particularly if you have not been able to organise a swap. Make sure the children are signed in by a parent of carer.

Creche

Rina oversees this ministry, so if you are unable to help & haven't organised a swap please talk to her. You will need to arrive early (before 9:00am) to make sure you have set up for a safe morning. Make sure the children are signed in & out by a parent or carer.

Morning Tea

In charge of setting up & making sure everything is tidy & back in its place at the end of morning tea.

Hopefully others will help during the morning.

Hopefully people not on the roster will bring food to share.
